History of Foundation of
The World Academy of Mining Sciences

The World Academy of Mining Sciences was established on the basis of the Eurasian Academy of Mining Sciences and is its successor.

Constitutive Meeting and Registration of the Eurasian Academy of Mining Sciences (EAMS)

The 25th World Mining Congress (WMS) was held in Astana, Kazakhstan (for the first time in Kazakhstan) on 19-22 June 2018.

25th World Mining Congress
ASTANA 2018 • KAZAKHSTAN

The Constitutive Meeting on the Establishment of **the Eurasian Academy of Mining Sciences (EAMS or Academy)** was held in Astana, Kazakhstan on 20 June 2018.

The Academy establishment was proceeded by considerable work involving the initiators of the idea of establishing the EAMS – Presidents of the Academies of Mining Sciences of Russia, Ukraine and Kazakhstan.

The International Organizing Committee on the Establishment of the EAMS (EAMS IOC) was established to implement the idea, promptly solve the emerging issues and harmonize the activities. The Committee was composed of representatives of mining science of the following countries:

1. **Belarus** - Mikhail Anatolyevich Zhuravkov – academician of the AMS of Russia, doctor of physical and mathematical sciences, professor, Minister of Education of the Republic of Belarus (2014-2016), Head of the Department of Theoretical and Applied Mechanics of the BSU.
2. **Kazakhstan –** Nurlan Bektasovich Ryspanov — President of the National Academy of Mining Sciences, D.Tech.Sc., Honorary member of the National Academy of Sciences of the Republic of Kazakhstan, Chairman of the International Organizing Committee.

   Bayan Rakishevich Rakishev – academician of the NAS of Kazakhstan, academician of the NAMS, D.Tech.Sc., professor.
3. **Kyrgyzstan -** Kamchibek Chonmurunovich Kozhogulov - director of the Institute of Geomechanics and Exploitation of Mineral Resources of the National Academy of the Republic of Kyrgyzstan, Correspondent-Member of the National Academy of the Republic of Kyrgyzstan**,** D.Tech.Sc., professor, honoured worker of science of the Republic of Kyrgyzstan, laureate of the State Prize of the Republic of Kyrgyzstan**.**
4. **Russia** - Yuriy Nikolayevich Malyshev – President of the Russian Academy of Mining Sciences, academician of the RAS, D.Tech.Sc., professor, honoured worker of science of the Russian Federation, laureate of the State Prize of the Russian Federation.

Valery Nikolayevich Zakharov – director of the Institute of Comprehensive Exploitation of Mineral Resources (Russia), Correspondent-Member of the RAS, D.Tech.Sc., professor.

5. **Uzbekistan -** Kuvandyk Sanakulovich Sanakulov– General Director of the State Enterprise “Navoi Mining & Metallurgy Combine”, president of the Navoi State Mining and Technology University, D.Tech.Sc., professor.
6. **Ukraine -** Yuri Grigorievich Vilkul – president of the Academy of Mining Sciences of Ukraine, D.Tech.Sc., professor.

Participants of the WMC – scientists-miners of Belarus, Kazakhstan, Kyrgyzstan, Russia, Ukraine and Uzbekistan.

During 2018, preparatory work on the organization of the Constitutive Meeting, development and approval of the draft documents (written by the Eurasian Academy of Mining Sciences) was carried out.

Scientists-miners from Belarus, Kazakhstan, Kyrgyzstan, Mongolia, Russia, Uzbekistan and Ukraine took part in the Constitutive meeting on the establishment of the EAMS (over 70 people).

The following members of the IOC of the World Mining Congress participated in the Constitutive Meeting as observers:

1. **M. Tsala** (Poland) - President of the World Mining Congress, Doctor of Sciences, professor.
2. **Ya. Skiba** (Poland) – Secretary-General of the World Mining Congress.
3. **Kh. Badamsuren** (Mongolia) - General Director of the “Erdenet Mining Corporation”, D.Tech.Sc.
4. **M. Eriksson** (Sweden) - Professor in Mineral Economics, Lulea University of Technology.
5. **C. Drebenstedt** (Germany) - head of the Freiberg Academy Faculty of Mining, doctor, professor.
6. **Selahaddin Anac** (Turkey) - General Director of the “Minertolia Corporation”.

7. **B. Bat-Ochir** (Mongolia) - Executive Director of the Association of Mining Designers of Mongolia, PhD.

8. **L. Totev** (Bulgaria) - Chairman of the Council of Rectors of the Universities of Bulgaria, doctor, professor.

9. **R. Stifner** (Austria) - Managing Director of Mining Industry and Non-ferrous Metallurgy of the Austrian Federal Economic Chamber.

10. **Oleg Nikolayevich Soskovets (**Russia) - Chairman of the Coordinating Council of the Eurasian Business Council.

11. **J. Kretschmann** (Germany) - President of the TH Georg Agricola University of Applied Sciences, doctor, professor, President of the World Association of Professors of Mining.

Minister for Investment and Development of the Republic of Kazakhstan Zhenis Kassymbek delivered a welcoming speech and expressed support for the initiative to establish the Eurasian Academy of Mining Sciences. Speakers - representatives of international organizations, ministries, departments, national companies, universities and representatives of the mining community supported and welcomed the establishment of the EAMS, expressed their desire to become members and actively cooperate, participate in the innovative development of mining and metallurgical complexes of the Eurasian continent.

The Constitutive Meeting unanimously decided (by open vote of the representatives of the founding organizations) to establish the Eurasian Academy of Mining Sciences in the form of the Association of legal entities, in accordance with the legislation of the Republic of Kazakhstan with the place of registration in Astana, and approved the EAMS Charter that had been previously agreed by the EAMS IOC.

Extract from the Protocol №1
Constitutive Meeting on the establishment of
The Eurasian Academy of Mining Sciences (EAMS)

Date of the Meeting: 20.06.2018.

Venue: Kunayev str. 29/1 (Business Center “Diplomat”), Astana, Kazakhstan. Time: 10.00.

Chairman - Chairman of the International Organizing Committee of the IOC on the establishment of the EAMS - Nurlan B. Ryspanov

Secretary - Secretary of the EAMS IOC Working Group – Aiym S. Mukusheva.

73 scientists-miners from the scientific mining community of the founding countries (according to the registration list) took part in the Meeting.

AGENDA

1. On the Establishment of the Association of Legal Entities “Eurasian Academy of Mining Sciences” (EAMS).
2. Approval of the EAMS Charter.
3. Election of the EAMS’ Higher Academic Council.

In accordance with the issues of the Constitutive Meeting’s Agenda on the Establishment of the Eurasian Academy of Mining Sciences, the following was unanimously adopted:

DECISION

1. To establish the Eurasian Academy of Mining Sciences (EAMS) within the composition of the founders: LLC “DME” (Belarus), Public Association “National Academy of Mining Sciences” (Kazakhstan), Institute of Geomechanics and Exploitation of Mineral Resources of the Kyrgyz Republic (Kyrgyzstan), Interregional Public Organization “Academy of Mining Sciences» (Russia), Navoi State Mining Institute (Uzbekistan).

2. Утвердить Устав ЕАГН с учетом замечаний и предложений.
3. Членами Высшего Академического Совета ЕАГН утвердить: Журавкова М.А., Кожогулова К.Ч., Рыспанова Н.Б., Малышева Ю.Н., Санакулова К.С.

4. Зарегистрировать ЕАГН как Объединение юридических лиц в соответствии с законодательством Республики Казахстан с местом регистрации в г.Астана.

Председатель собрания **Рыспанов Н.Б.**

Секретарь собрания **Мукушева А.С.**

Подписи Учредителей ЕАГН:

ООО «ПГП» (Беларусь) **Журавков М.А.**

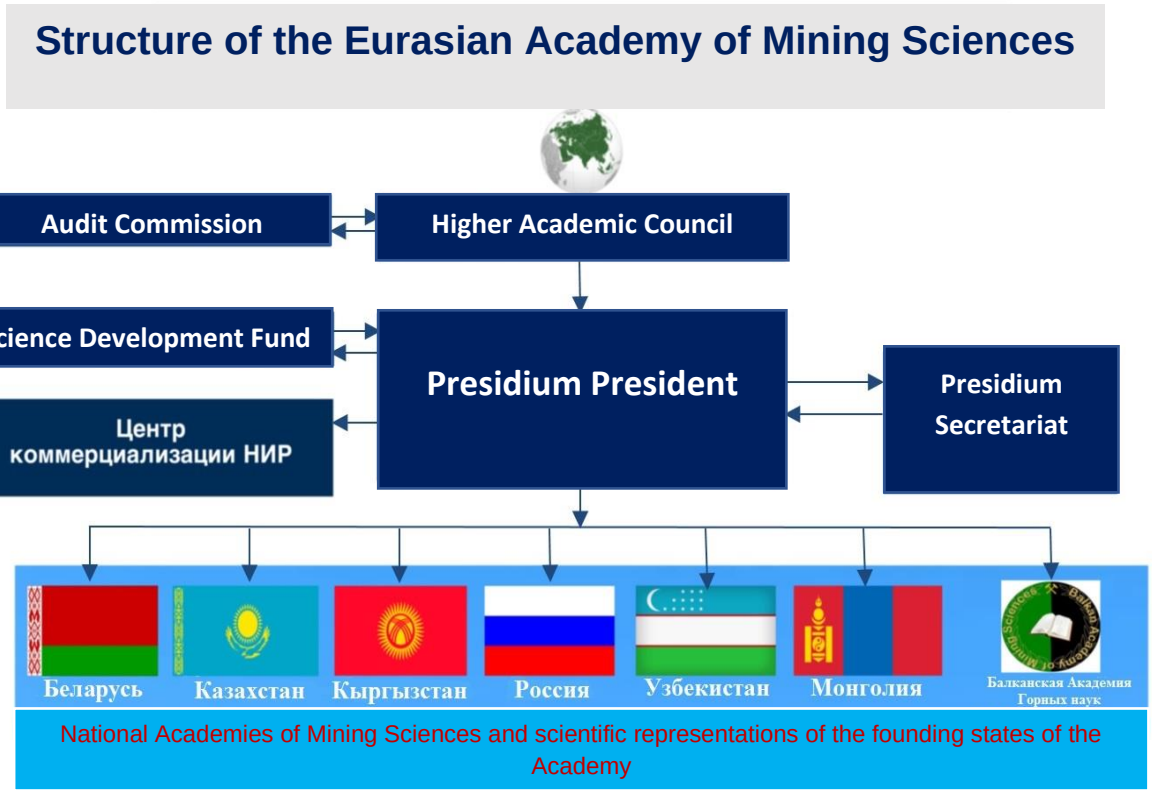

Национальная Академия Горных Наук (Казахстан) **Рыспанов Н.Б.**

Институт геомеханики и освоения недр НАН Кыргызской Республики **Кожогулов К.Ч**

Академия Горных Наук России **Малышев Ю.Н.**

Навоийский государственный горный институт (Узбекистан) **Санакулов К.С.**

Election of the Chairman of the Higher Academic Council were held. Composition of the Presidium of the Academy was approved. President of the Academy, Vice-Presidents, Audit commission were elected. Structure of the Academy was approved.

Logo, seal, diplomas' forms, identity cards, badges of members of the Eurasian Academy of Mining Sciences were designed and approved.

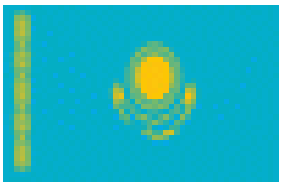

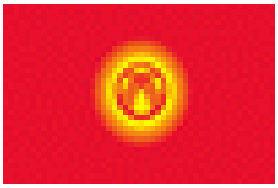

Website of the EAMS was developed and launched.

In accordance with the decisions of the HAC and Presidium, the Mongolian Academy of Mining Sciences and the Representative Office (in the Republic of Belarus) of the Eurasian Academy of Mining Sciences were established and registered.

To date, scientists-miners from 14 countries of the Eurasian continent became the EAMS members.

The Eurasian Academy of Mining Sciences was re-registered and received the status of the World Academy of Mining Sciences in 2022.
