INVITATION

Dear Colleagues,

The summer session of the XXI Congress "**MACHINES.TECHNOLOGIES. MATERIALS**" will be held from 04th to 07th September, 2024 in the resort “St. St. Konstantin and Elena”, region Varna, as a comprehensive scientific-technical event, which includes three main topics. The Congress program includes also five special congress sub-sections which were held separately till now.

We invite the scientists and the researchers to present the results of their research works before the academic society and the industry representatives and to publish them in the international scientific magazines, issued by the Scientific-Technical Union of Mechanical Engineering.

We invite companies with presentations at the congress sessions and advertising materials to present their available on the market machines, equipment, technologies, materials and services.

We hope the Congress ***MTM’24*** will play a leading role as an innovation mediator between the scientific research and industry and we offer you to take advantage of this opportunity.

The weekend program after the ***MTM’24*** opening will give you a chance for rest, entertainment and learning more about the cultural, historical and natural attractions of the northern coast of Black Sea.

Prof. D.Sc. DHC Georgi Popov,
President of Bulgarian Scientific-Technical Union of Mechanical Engineering,
Chairman of the International Program Committee

SCIENTIFIC PROGRAM

TOPICS

1. MACHINES:

Design and Construction. Rapid Prototyping. Manufacturing. Investigation and Testing. Exploatation, Maintenance and Repair. Modernization. Recycling and Utilization. Life Cycle Engineering. Re-Engineering. Training.

2. TECHNOLOGIES:

Metal Casting, Plastic Deformation, Welding, Soldering and Adhesive Bonding, Machining.
Surface Treatment. Changing of Properties. Testing, Measurement and Control. Mathematical modeling of technological processes.
Automation. Logistic. Load Treatment. Management and Engineering. Energy Saving and Environment Friendly Technologies. Training.

3. MATERIALS:

Materials Science. Metal Materials, Non-Metal Materials, Tool Materials, Construction Materials, Accessory Material. Composites. Training.

SPECIAL CONGRESS SUB- SECTIONS

1. **POWER TRANSMISSIONS 2024 (mechanical, electrical, hydraulic and pneumatic)**
2. **INDUSTRIAL DESIGN ENGINEERING & ERGONOMICS 2024**
3. **INDUSTRIAL INFORMATIC 2024**
4. **KNOWLEDGE. CREATIVITY. INNOVATIONS 2024**
5. **INDUSTRIAL MANAGEMENT 2024**
6. **NANOMATERIALS 2024**
7. **BULTRIB 2024**

The official language of the Congress MTM'24 is English.

CALL FOR PAPERS

Scientists from all over the world are kindly invited to present the results of their researches in the plenary, section and poster sessions or in the special congress sub-sections.
Companies, offering machines, materials, technologies and services on the market, are also invited to present practical results in accordance with the congress topics in the form of company presentations and advertisement at the congress halls and in the congress printed issues.

Paper's abstract up to 200-350 words, **written in English,** in .doc or .docx format, with up to 10 keywords, authors' names and titles, occupation and e-mail address, together with the Author's Response (**Form A)** or the **online registration** has to be sent to the Organizing Committee not later than **31.05.2024.**

The Author's response Form A will be registered in the section **"Received Abstracts and Papers"** of the congress web-site and a registration number will be given the paper. The Organizing Committee recommended the authors use this registration number in the further correspondence and if the files sent also begin with this number and the phrase "mtm23". For example: **131_Spenser_mtm23.doc.**

Authors of the approved papers will be informed about the Program Committee's decision not later than **05.06.2024**.

Only papers formatted in accordance with the **graphical** and **text** instructions, accepted peer-reviewed and presented at the oral and poster congress sections will be published.

The full text papers up to 4 pages, written in English, must be sent not later than **30.07.2024** by email, together with the Application form for participation **(Form B)** or **online registration**. The name of the paper's file has to consist of the registration number, author's name and the phrase "**mtm23**". For example: "**131_Spenser_mtm23.doc**"

If the authors cannot participate personally in the Congress, they can participate in the poster session. In that case the author should pay only the publication fee and the paper will be published in the congress journals. The poster papers have to be formatted according to the poster **graphical** and **text** instructions. They should be sent by e-mail until **20.08.2024** so the papers could be presented at the Congress. The Organizing Committee takes the obligation to print the poster and to include it in the poster session.

All instructions can be found on the congress website: **http://mtmcongress.com** An example of the title page can be downloaded there, so the authors could write easy the whole paper according to the requirements.

PUBLICATIONS

All papers included in the congress scientific program will be published as follows:

-

- Papers written in English: in the separate issue of the international scientific journals according to the themes of the reports:

-**"Machines.Technologies.Materials"** (Print ISSN 1313-0226, Web ISSN 1314-507X)

-**"Innovations"** (Print ISSN 1314-8907, Web ISSN 2534-8469)
