7. Admission of new members of the WAMS;
8. Rewarding, encouraging members of the WAMS;
9. Miscellaneous section:
    - Updating the WAMS website and the WAMS Regulations
    - On the next WAMS Presidium meeting

SPEECH WAS DELIVERED BY:

Before the start of the meeting, a moment of silence was held to honor the memory of the prematurely deceased Chairman of the EAMS HAC, academician Yuri N. Malyshev.

1. The welcoming speech was made by the WAMS President Nurlan B. Ryspanov, who congratulated the participants with the World Academy of Mining Sciences' state registration in accordance with the legislation of the Republic of Kazakhstan (at the location of the WAMS office).
2. Members of the WAMS HAC and invited participants were introduced at the meeting. Members of the HAC delivered a welcoming speech.
3. President of the WAMS, academician Nurlan B. Ryspanov delivered a speech on the third issue of the Agenda and proposed to exchange opinions on the WAMS draft Charter that had been earlier forwarded to the WAMS HAC members for proposals and comments.

In the exchange of views, a number of key articles (of fundamental importance) on the Academy structure and organization of activities was highlighted:

2.1 The purpose and subject of the Academy's activity is the formation of a single global structure of the mining sciences.

4.1 Members of the Academy shall be divided into:

- Corporate members;
- Associate members;
- Honorary members - Academicians.

5.1 The highest governing body of the Academy is the Academy Presidium. Election of the Presidium candidate members is provided.

5.2 The first composition of the Presidium comprises the members of the Higher Academic Council of the Eurasian Academy of Mining Sciences and the Presidents of the National Academies of Mining Sciences.

5.15.14. The WAMS contributes to the creation of the National Academies of Mining Sciences in countries around the world and, if required, can act as co-founder.

4. It was proposed to elect individual members of the Higher Academic Council of the Eurasian Academy of Mining Sciences and Presidents of the Academies of Mining Sciences of the member countries. Subsequently, as new Academies of Mining Sciences are established in countries around the world, its Presidents will be elected as members of the WAMS Presidium.

5. There was a discussion on the establishment of the new SRIs as a part of the WAMS. It was also proposed to determine the areas of scientific researches which represented the priority for the countries (where these SRIs were located) and which occupied an important place in mining science. The WAMS Presidium members were invited to make proposals on the establishment of the new SRIs as a part of the WAMS during the next meeting.

6. It was proposed to make and approve some technical amendments on the design of the logo, letterhead, seal and diploma of the WAMS.

All the HAC members, who were present at the meeting, as well as all the invited participants of the meeting, took part in discussion of the agenda issues.

The agenda issues were put to the vote as the agenda issues came up for discussion. The voting was attended by members of the WAMS HAC who were present at the meeting.

Decisions on all the issues (that were put to the vote) were taken unanimously.

Decision
Of the Joint Meeting
Of the General Meeting of Founders, Higher Academic Council and Presidium of the World Academy of Mining Sciences
and of the elected WAMS Presidium

28 April 2023 **Tbilisi, Georgia**

Based on the comprehensive discussion of the Agenda issues, the following decisions were taken unanimously:

1-2 To take into account the welcoming speech and speeches of the WAMS members.

3. To adopt the amendments in the World Academy of Mining Sciences' Charter. The WAMS Secretariat: to carry out the necessary activities to re-register the Charter in accordance with the established procedure.

4. To elect the Eurasian Academy of Mining Sciences' Higher Academic Council members and the Presidents of National Academies of Mining Sciences as the WAMS Presidium members.

1. P. Ochirbat - President of the Academy of Mining Sciences of Mongolia;

2. B. Bat-Ochir - Vice-President of the Academy of Mining Sciences of Mongolia;

3. Yuri G. Vilkul - President of the Academy of Mountain Sciences of Ukraine;

4. Mikhail A. Zhuravkov - Professor of the Belarusian State University;

5. Kamchibek Ch. Kozhogulov - Director of the Institute of Geomechanics and Subsoil Development of the National Academy of Sciences of Kyrgyzstan;

6. Jurgen Kretschmann - President of the International Society of Professors of Mining Sciences;

7. Gennady F. Piven - President of the Academy of Mining Sciences of Russia;

8. Nurlan B. Ryspanov - President of the National Academy of Mining Sciences of Kazakhstan;

9. Kuvondyk S. Sanakulov - General Director of the NMMC, Rector of the Navoi State Mining Institute;

10. Nikoloz Chihradze - President of the Academy of Mining Sciences of Georgia;

4.2 To mandate the WAMS Presidium member Kuvondyk S. Sanakulov to undertake work on the creation of the Academy of Mining Sciences of Uzbekistan and to mandate the WAMS Presidium member Kamchibek Ch. Kozhogulov to undertake work on the creation of the Academy of Mining Sciences of Kyrgyzstan before the end of 2023.

4.3 To mandate the WAMS Presidium member Mikhail A. Zhuravkov to undertake work on the creation of the possibility to transform the EAMS representative office into the Academy of Mining Sciences of Belarus.

5. To postpone a discussion on the establishment of the new SRIs as a part of the WAMS until the WAMS Presidium meeting.

6. To approve the developed designs of the logo, seal, diploma of the WAMS taking into account the comments that were made.

7. The issue on admission of new members to the WAMS is solved in accordance with the amended WAMS Charter at the meetings of the elected Presidium of the WAMS.

8. The participants of the meeting (Vice President of the Mongolian Academy of Mining Sciences B. Bat-Ochir and the representative of the scientists-miners of Uzbekistan, academician Ilkhom T. Mislibayev) congratulated the scientists-miners of Georgia on the establishment of the Georgian Academy of Mining Sciences and presented memorable souvenirs.

President of the Georgian Academy of Mining Sciences, professor Nikoloz M. Chihradze was awarded the Honorary Badge of the National Academy of Mining Sciences of Kazakhstan “Tauken Salasynyn Batyry” (Hero of Mining) for a great contribution to the development of mining sciences, for establishment of scientific, technical and creative relations between the National Academy of Mining Scciences and the mining enterprises of Georgia, for development of Kazakh-Georgian cooperation in the field of mining.

9. 9.1 To update the WAMS website and the WAMS Regulations in line with the decisions taken.

9.2 As proposed by the WAMS Presidium member Kamchibek Ch. Kozhogulov, to hold a regular meeting of the WAMS Presidium in Kyrgyzstan in September 2023.

The Chairman of the Meeting of the WAMS Nurlan B. Ryspanov made a concluding statement to all the meeting's participants regarding that all the Agenda issues were addressed. Mr. Nurlan B. Ryspanov thanked all the Academia's members for their active participation in the work of the WAMS' Chairmen, HAC and Presidium members' meeting.

With that, the Joint Meeting finished the work.

Secretary of the Meeting,
Chief Scientific Secretary of the WAMS **Aiym S. Mukusheva**
